CUSTOMER PROMISE

Mike's Fresh Sushi has and always will, provide to its customers the freshest, tastiest and best quality take away sushi in a friendly and hygienic environment. Our commitment to detail, quality and service assures our customers superior products, which is consistent and have the highest quality.

SUSHI & JAPANESE TERMINOLOGY

SUSHI - anything made with vinegared rice

NIGIRI SUSHI - pieces of fish, shellfish, or fish roe over vinegared rice balls.

SASHIMI - raw fish served chilled, sliced, and arranged without rice.

INARI SUSHI - soybean pouch filled with sushi rice.

Sushi and Raw Fish

Some of Mike's Fresh Sushi products contain raw seafood. Consuming raw or undercooked seafood or shellfish may increase your risk of foodborne illness, especially for elderly, young children under age of four, pregnant women, and other individuals with compromised immune systems. Please keep refrigerated. Best if consumed on day of purchase.
